

Cambata Aviation Pvt. Ltd. visits IESP for Campus Placement

IESP organized a successful Campus Placement process, facilitating Cambata Aviation Pvt. Ltd. to screen and interview our students for manpower requirements in its Ground Handling Operations at the Mumbai International Airport. The activity was held on Fri, 09-Dec-11 for IESP students pursuing the Airport Handling Management and Cargo & Courier Management programs.

Since its inception in 1967, Cambata Aviation has been the pioneer in Ground Handling services as a private operator at International Airports in Mumbai and Delhi. Cambata Aviation undertakes complete ground handling and ancillary aviation services for several world-class, international airlines.
